BUCK WEAVER'S Farmers gave a great exhibition of how to boot the ball when it is coming your way, and as a result lost the first game with the Lobsters at the local ball park yesterday. When a player did succeed in stalling the ball, the fellow at the other end of the plate generally dropped it, and the Lobster mixed up in the deal went on for another base. Ogden sent fourteen men around the bases during the exhibition, and only two of them were entitled to the runs made. Out of fifty chances, the Farmers managed to pass nine of them by.

The Lagoon team went into the game to win, and the crowd was with them. They had just signed McCafferty, and it was rumored that the ex-Lobster was just waiting for a chance to get back at his former teammates. Then, again, Casey was out of the game, and the fans figured that the Farmers would not do a thing to those saucy boys from Ogden. These good intentions were like a New Year's resolution—they did not last long.

Ogden commenced to connect with McCafferty's curves in the second inning and kept it up until the eighth, when they gave him a rest for the last two innings. Lagoon's troubles started in the second, when a two ticket to first and two hits scored two runs for Ogden. In the third, two runs for Ogden. In the third, two runs for Ogden. In the third, two runs for Ogden.

A moment later Gimlin was caught off first by McCafferty. Hansen, the last man up, flew out to left field, returning the side after five runs had been scored. Berry's three-bagger scored Nagle, who received a free pass in the seventh, which ended the run getting for the Lobsters. The Lagoon got off in the third with four runs, and for a while things looked good. Brisenno started off with a free pass and scored on Weaver's two-bagger. Bradley flew out to Hansen and Rebers, who reached Weaver on a hit past first. He reached second on Clark's failure to stop Thomas' throw, and Plake, the first man up, was out on Dyer's error. King came up with a three-bagger and cleared the bases.

Nothing more was doing for the Farmers until the sixth, when hits by Bubanks, McCausland and Brisenno and Bluth's error netted three more runs. In the ninth Lagoon succeeded in getting a man to second on a hit and a walk by Thomas, but no damage was done.

Dyer, the new second baseman for Ogden, was taken out of the game in the fourth. Bluth coming in from right and Thomas taking Bluth's place at right.

LOGAN, 5; SALT LAKE, 4.

Teams Squabble Over the Selection of an Umpire.

(Special to The Herald.)

Logan, June 27.—Logan won today's contest twice. The first time by 9 to 0, Umpire Langton declaring it forfeited upon Borchers' refusal to play. Langton, it is understood here, was appointed resident umpire by President Critchlow to act in the event of the failure of a regular umpire to do so. Martin came out on the field incapacitated today, and in the second inning voluntarily retired from the game. Langton was at once sent for, but Borchers refused to accept him as umpire, and in the second inning the required notice and time, Langton declared the game forfeited to Logan by a score of 9 to 0.

The crowd, however, demanded a game of ball, and after some varying, Quick of Logan and Douglass of Salt Lake were agreed upon as umpires, and the game proceeded. It was a very pretty contest, marked by fine work in the box by both Borchers and Hartzell. Both pitched in splendid form, Hartzell holding the visitors down to four hits until the last inning, when the White Wings started a fierce battle, three of which were scored. Jack Huston came to the bat, and a clean three-bagger brought in three runs, but he died at third himself.

It took Salt Lake four innings to get a hit. Hartzell, then, who followed in the fifth and one in the sixth. There was nothing doing until the ninth, when four more hits were scored. The big chief held Logan down to six hits, three of which were scored in the fourth inning. In the eighth his support went all to pieces, and with one hit and three errors, Logan scored two runs. Adams gave a strikeout, and his work was rewarded in catching difficult fly balls set the crowd wild.

MACHINISTS DISCHARGED.

Unexpected Order Issued From Union Pacific Headquarters.

Omaha, Neb., June 27.—The strike position in the Union Pacific shops was complicated when the shops closed to night by an order which came as a complete surprise to the men. The order discharged the entire force of machinists, who are employed in the shops, a total of 132 receiving their pay and final discharge papers. The order was delivered at the shops while the machinists' union committee was in conference with officials at the headquarters, and when it was announced that negotiations were in progress and peace was in sight. Eighteen men were let out at Armstrong, Kan. The machinists held a meeting tonight, but positively declined to give out any information. Shops are not affected at other points by this order, and machinists here declare there will be a walk-out of machinists in the shops along the whole line of the road today, making a total reduction of 600 men at the Omaha shops, and of over 1,300 men along the system. Union Pacific officials say the discharges are due to the bettering of the shops, and the consequent lack of employment for the machinists. As they cannot tell when the men can be re-employed, they say, the discharges were made permanent.
